

# ART for TREES

*A catalog of paintings intended to  
fund the planting of missing street  
trees in downtown San Diego.*

Pelayo "Pete" Garcia  
2021 Catalog

Welcome to the Art for Trees catalog, my contribution to raise funds to replant the many missing street trees in downtown San Diego.

I have been fortunate in that my paintings are collected by private, corporate, and institutional collectors throughout the US, Mexico and Europe. I have been represented by galleries, and have exhibited at art fairs in San Diego, New York and Miami.

The planting of the missing street trees in downtown San Diego is a collaboration between the Downtown San Diego Partnership ([www.downtownsandiego.org](http://www.downtownsandiego.org)) and URBAN INTERVENTIONS ([www.urbaninterventions.org](http://www.urbaninterventions.org)) under an initiative called Grow Urban – a tree planting movement.

I hope the paintings and the street trees will bring as much joy to you as they do to me.
