

# ART for TREES

*15 summer paintings to fund the replanting of 20 missing street trees in downtown San Diego.*

Pelayo "Pete" Garcia  
Summer 2022 Catalog

Welcome to the Art for Trees catalog, my contribution to raise funds to replant the many missing street trees in downtown San Diego.

Planting missing street trees in downtown San Diego is a collaboration between the Downtown San Diego Partnership ([www.downtownsandiego.org](http://www.downtownsandiego.org)) and URBAN INTERVENTIONS ([www.urbaninterventions.org](http://www.urbaninterventions.org)) under an initiative called Grow Urban – a tree planting movement ([www.downtownsandiego.org/explore/grow-urban](http://www.downtownsandiego.org/explore/grow-urban))

I hope the paintings and the street trees will bring as much joy to you as they do to me. I have been fortunate in that my paintings are collected by private, corporate, and institutional collectors throughout the US, Mexico and Europe. I have been represented by galleries, and have exhibited at art fairs in San Diego, New York and Miami.
